SUB inglês

When such affairs as sorties

Fill in the gaps

Major-General's Song by Gilbert And Sullivan

	And surprises I'm more wary at
I am the very model of a modern Major-General	And when I know precisely
I've information vegetable, animal, and mineral	What is meant by "commissariat"
I know the kings of England	When I have learnt
And I quote the fights historical	What progress has been made in modern gunnery
From Marathon to Waterloo, in order categorical	When I know more of tactics (7) a novice in a
I'm very well acquainted, too, with (1)	nunnery
mathematical	In short, when I've a smattering of elemental strategy
I understand equations, both the simple and quadratical	(Oh, that's a hard one, strategy Got it!)
About (2) theorem I'm	You'll say a better Major-General has never sat a-gee
(3) with a lot o' news	
(Hmm, lot of news Got it!)	For my military knowledge
With many (4) facts	Though I'm plucky and adventury
About the square of the hypotenuse	Has only been brought down
	To the beginning of the century
I'm very good at integral and differential calculus	But still, in matters vegetable, animal, and mineral
I know the scientific names of beings animalculous	I am the very model of a modern Major-General
In short, in matters vegetable, animal, and mineral	
I am the very model of a modern Major-General	(One more time?!)
I know our mythic history	In fact
King Arthur's and Sir Caradoc's	When I know what is meant by "mamelon" and "ravelin"
I answer hard acrostics, I've a pretty taste for paradox	When I can tell at sight a Mauser rifle from a javelin
I quote in elegiacs all the crimes of Heliogabalus	When such affairs as sorties
In conics I can floor peculiarities parabolous	And surprises I'm more wary at
I can tell undoubted	And when I (8) precisely
Raphaels from Gerard Dows and Zoffanies	What is meant by "commissariat"
I know the croaking chorus	When I have learnt
From The Frogs of Aristophanes	What progress has been made in modern gunnery
Then I can hum a fugue	When I know more of tactics than a novice in a nunnery
Of which I've heard the music's din afore	In short, when I've a smattering of elemental strategy
(Ooh, din afore, din afore Got it!)	You'll say a better Major-General has never rode a horse!
And whistle all the airs	
From that infernal nonsense Pinafore	For my military knowledge
	Though I'm plucky and adventury
Then I can write a washing bill in Babylonic cuneiform	Has only been brought down
And tell you every detail of Caractacus's uniform	To the (9) of the century
In short, in matters vegetable, animal, and mineral	But still, in matters vegetable, animal, and mineral
I am the very model of a (5) Major-General	I am the very model of a modern Major-General!
·	·
In fact	
When I (6) what is meant by "mamelon" and	
"ravelin"	
When I can tell at sight a Mauser rifle from a javelin	

- 1. matters
- 2. binomial
- 3. teeming
- 4. cheerful
- 5. modern
- 6. know
- 7. than
- 8. know
- 9. beginning
