

## Fill in the gaps

Shakedown 1979	
Cool kids never (1) the time	
On a live wire right up off the street	
You and I should meet	
Junebug skipping like a stone	
With the headlights pointed at the dawn	
We were sure we'd never see an end to it all	
And I don't even care to shake these zipper blues	
And we don't know	
Just where our bones (2) rest to dust, I guess	
Forgotten and absorbed into the earth below	
Double cross the vacant and the bored	
They're not sure just what we have in the store	
Morphine city slippin dues (3) to see	
We don't even care as (4) as we are	Э
We feel the pull in the (5) of a thousand guilts	
And noured cement, lamented and assured	

To the lights and towns below
Faster than the speed of sound
Faster than we thought we'd go
Beneath the sound of hope
Justine never (6) the rules
Hung (7) (8) the freaks and the ghouls
No apologies ever need be made
I know you better than you fake it, to see
And we don't even care to shake these zipper blues
And we don't know
Just where our bones will rest to dust, I guess
Forgotten and absorbed into the earth below
The street heats the urgency of sound
As you can see there's no one around
