

(Oh, yeah, hmm)
I'd wait on you forever and a day
Hand and foot
Your world is my world (yeah)
Ain't no way you're ever (1) get
Any less than you should
'Cause baby
You smile, I smile (oh)
'Cause whenever
You smile, I smile
(Hey hey hey)
Your lips, my biggest weakness
Shouldn't have let you know
I'm always gonna do what they say
If you need me
I'll come runnin'
From a thousand miles away
When you smile, I smile (oh whoa)
You smile, I (2) (hey)
Take my (3) heart and all it offers
'Cause this is as unconditional as it'll ever get
You ain't (4) nothing at all
I won't (5) hesitate to give you more
'Cause baby
