Never Let You Go by Justin Bieber

Bring the doubters on They don't matter at all

Fill in the gaps

Oh, no	'Cause this life's too long
Oh, no, oh	And this love's too strong
They say that hate has been sent	So baby, know for sure
So let loose the (1) of love (of love)	That I'll never let you go
Before (2) outlaw the kiss	It's like an angel came by and took me to heaven
Baby, give me one last hug (last hug)	(Came by and took me to heaven, girl)
There's a dream that I've been chasing	'Cause (7) I stare in your eyes, it couldn't be better
Want so badly for it to be reality (reality)	I don't want you to go, oh no, so
And when you hold my hand	Take my (8) (take my hand)
And I understand that it's (3) to be	Let's just dance (let's just dance)
Cause baby, when you're with me	Watch my feet (watch my feet)
It's like an angel came by and took me to heaven	Follow me (follow me)
(Came by and took me to heaven)	Don't be scared (don't be scared)
Cause when I stare in your eyes, it couldn't be better	Girl, I'm here (girl, I'm here)
I don't want you to go, oh no, so	If you didn't know (didn't know)
Let the music blast	This is love
We gonna do our dance	Let the music blast
Bring the doubters on	We gonna do our dance
They don't matter at all	Bring the doubters on
Cause this life's too long	They don't matter at all (oh, baby)
And this love's too strong	'Cause this life's too long
So baby, know for sure	And this love's too strong
That I'll never let you go	So baby, (9) for sure
I got my favorite girl	That I'll never let you go
Not feelin', no pain, no fear (no fear)	So don't fear
Don't have a care in the world	Don't you worry about a thing
Why would I when you are here? (are here)	(I am here, by you)
There's a (4) I've been chasing	I'll never let you go
And I finally caught it out on this floor (on this floor)	Don't shed a tear
Baby, there's no hesitation, no reservation	Whenever you need me
By taking a chance and more, oh no, because	(Whoa)
It's like an (5) came by and took me to heaven	I'll (10) let you go
(Came by and took me to heaven)	Oh no, oh no, oh
Cause when I stare in (6) eyes, it couldn't be	I'll never let you go
better	Oh no, oh no, oh
(I don't want you to go, oh no, so)	I'll never let you go
Let the music blast	
We gonna do our dance	

1. talk
