

I don't need too much, just somebody to love

I don't need nothing else

Somebody To Love by Justin Bieber & Usher

(Oh)		I promise girl, I swear
(Oh)		I just need somebody to love
For you I'd (1)	a symphony	I need somebody, I need somebody
I'd tell the violin		(Oh, yeah) I need somebody, I need somebody to love
It's time to sink or swim		I (4) somebody, I (5) somebody (to
Watch him play for ya		love)
For you I'd be		I need somebody, I need somebody
Running a thousand miles		And you can have it all
Just to get to where you are		Anything you want
Step to the beat of my heart		I can bring; give you the finer things, yeah
I don't need a whole lot		But what I really want
But if you admit, I'd rather give you the world		I can't (6) 'cause
Or we can share mine		Money can't find me
I know I won't be the first one		Somebody to love
Giving you all this attention		(Oh)
Baby listen		Find me somebody to love
I just need somebody to love		(Oh oh)
I don't need too much, just somebody to love		I (7) somebody to love
(Somebody to love)		Need it
I don't need nothing else		Oh, I don't need too much, just somebody to love
I promise girl, I swear		Somebody to love
just need somebody to love		I don't (8) nothing else
I need somebody, I (2) somebody	I promise girl, I swear
I need somebody, I need somebody		I just need somebody to love
Every day		I need somebody, I (9) somebody to love
I bring the sun around		I need somebody, I need somebody to love
I sweep away the clouds, smile for me		I need somebody, I need somebody to love
I would take		I need somebody to love
Every second, every single time		I swear, I just need somebody to love
Spend it like my last dime		And I need somebody, I need somebody
Step to the beat of my heart		I need somebody, I (10) somebody
I don't need a whole lot		I need somebody, I need somebody
But for you, I admit, I'd rather give you the world		Is she out there?
Or we can share mine		
I know I won't be the first one		Is she out there?
Giving you all this attention		Is she out there?
Baby listen		Is she out there?
l just need (3)	to love	I just need somebody to love
