We don't know you

The Hardest Button To Button by The White Stripes

We started living in an old house	And we don't owe you
My ma gave birth and we were checking it out	But if you see us around
It was a baby boy	I got something else to show you
So we (1) him a toy	Now it's easy, when you don't (5) better
It was a ray gun	You think it's sleazy then put it in a short letter
And it was 1981	We keep warm
We named him "Baby"	But there's just something (6) (7) yo
He had a toothache	Just feel that you're the hardest little button to button
He started crying	I had opinions (8) didn't matter
It sounded like an earthquake	I had a brain that felt like pancake batter
It didn't (2) long	I got a backyard (9) nothing in it
Because I stopped it	Except a stick, a dog and a box with something in it
I grabbed a rag doll	The hardest button to button
And stuck some little pins in it	The hardest button to button
Now we're a family	The hardest button to button
And we're (3) now	The hardest button to button
We got money	
And a (4) place to fight now
