Fix You by Coldplay

Fill in the gaps

When you try (1) best but you don't succeed
When you get what you (2) but not what you need
When you feel so tired but you can't sleep
Stuck in reverse
When the tears come streaming down your face
When you lose something you can't replace
When you (3) someone but it goes to waste
Could it be worse?
Lights (4) you home
And ignite your bones
And I will try to fix you
High up above or (6) below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth
Lights will guide you home
And ignite your bones
And I will try to fix you
Tears stream down your face
When you lose something you cannot replace
Tears (7) down your face
And I
Tears stream (8) your face
I promise you I will learn from my mistakes
Tears stream (9) your face
And I
Lights will (10) you home
And ignite your bones

And I will try to fix you
