

## Fill in the gaps

## My Happy Ending (Live) by Avril Lavigne

So much for my (1) ending	We were meant to be, (13) to be
(Oh oh)	But we lost it
Let's talk this over	And all of the memories, so (14) to me
It's not like we're dead	Fade away
Was it something I did?	All this time you were pretending
Was it something you said?	So much for my happy ending
Don't leave me hanging, in a (2) so dead	It's nice to know that you (15) there
Held up so high, on (3) a	Thanks for (16) like you cared
(4) thread	And making me feel like I was the (17) one
You were all the things I thought I knew	It's nice to know we had it all
And I thought we could be	Thanks for watching as I fall
You were everything, everything	Letting me (18) we were done
That I wanted	He was (everything that I wanted)
We were (5) to be, supposed to be	We were meant to be, supposed to be
But we (6) it (but we lost it)	But we lost it
And all of the memories, so close to me	And all of the memories, so close to me
Fade away	Fade away
All this time you (7) pretending	All this time you (19) pretending
So much for my (8) ending	So (20) for my happy (ending)
(Oh oh)	You were everything, (21) that
You've got your dumb friends	wanted
I know what they say	And we were meant to be, supposed to be
They tell you I'm difficult	But we lost it
But so are they	All of the memories, so (22) to me
But they don't know me	Just fade away
Do (9) know you?	And all (23) time you were pretending
All the things you hide from me	So much for my happy ending
All the shit (11) you do	(Oh oh)
You were all the things I thought I knew	
And I (12) we could be	
You were everything, everything that I wanted
