

Careful by Paramore

Fill in the gaps

I settled down
A twisted up frown disguised as a smile, well
You would've never known
I had it all, but not what I wanted
'Cause hope for me
Was a place uncharted and overgrown
You'd make (1)_____ way in
I'd resist you (2)_____ like this you can't tell me to feel
The truth never set me (3)_____ so I did it myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
Open your (4)_____ like I opened mine
It's only the real world
A life you will never know
Shifting (5)_____ weight to throw off the pain
Well, you can ignore it, but only for so long
You look (6)_____ I did

You resist me just like this you can't tell me to heal
And it hurts remembering how it felt to shut down
Can't be too (7)_____ anymore
When all that is waiting for you
Won't (8)_____ any closer
You've got to reach out a little more
More, more, more, more
The truth never set me free
The truth never set me free
The truth never set me (9)_____ so I'll do it myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out
Can't be too careful anymore
When all that is waiting for you
Won't (10)_____ any closer
You've got to reach out more
More, more, more, more!
