

Fill in the gaps

You resist me just like this you can't tell me to heal

I settled down	And it hurts remembering how it felt to shut down
A (1) up frown disguised as a smile, well	Can't be too (5) anymore
You would've never known	When all that is waiting for you
I had it all, but not what I wanted	Won't come any closer
'Cause hope for me	You've got to reach out a little more
Was a place uncharted and overgrown	More, more, more
You'd make your way in	The truth never set me free
I'd resist you just like this you can't tell me to feel	The truth never set me free
The truth never set me free so I did it myself	The (6) never set me (7) so I'll do it
You can't be too (2) anymore	myself
When all that is waiting for you	You can't be too careful anymore
Won't come any closer	When all that is waiting for you
You've got to reach out a little more	Won't come any closer
More, more, more	You've got to reach out
Open your eyes like I (3) mine	Can't be too (8) anymore
It's only the real world	When all that is (9) for you
A (4) you will never know	Won't come any closer
Shifting your weight to throw off the pain	You've got to reach out more
Well, you can ignore it, but only for so long	More, more, more!
You look like I did
