

Fill in the gaps

You resist me just like this you can't tell me to heal

| I settled down | | And it hurts remembering how it felt to shut down | |
|-----------------------------------------------|------------------|---------------------------------------------------|----------------------|
| A twisted up frown (1) | as a smile, well | Can't be too (19) | anymore |
| You would've never known | | When all that is waiting for you | |
| I had it all, but not (2) I wanted | | Won't come any closer | |
| 'Cause (3) for me | | You've got to reach out a little more | |
| Was a (4) (5) | and | More, more, more, more | |
| overgrown | | The (20) (21) | set me free |
| You'd (6) your way in | | The truth never set me free | |
| I'd resist you (7) (8) (9 | 9) you | The truth never set me (22) | so I'll do it myself |
| can't tell me to feel | | You can't be too (23) | anymore |
| The truth (10) set me free so I did it myself | | When all (24) is waiting for you | |
| You can't be too careful anymore | | Won't come any closer | |
| When all (11) is waiting for you | | You've got to reach out | |
| Won't (12) any closer | | Can't be too (25) | anymore |
| You've got to reach out a (13) | more | When all that is waiting for you | |
| More, more, more | | Won't come any closer | |
| Open your eyes like I opened mine | | You've got to reach out more | |
| It's only the (14) world | | More, more, more! | |
| A life you will (15) know | | | |
| Shifting your (16) to throw off the pain | | | |
| Well, you can (17) it, but only for so long | | | |
| You look (18) I did | | | |
