	You resist me just like (4) you car	n't tell me to heal
I (1) down	And it hurts (5)	how it felt to shut
A twisted up frown disguised as a smile, well	down	
You would've never known	Can't be too careful anymore	
I had it all, but not what I wanted	When all that is waiting for you	
'Cause hope for me	Won't come any closer	
Was a place uncharted and overgrown	You've got to reach out a (6)	more
You'd make your way in	More, more, more	
I'd (2) you just like this you can't tell me to feel	The truth never set me free	
The truth never set me free so I did it myself	The truth never set me free	
You can't be too careful anymore	The truth never set me free so I'll do it mysel	f
When all that is waiting for you	You can't be too careful anymore	
Won't (3) any closer	When all that is (7) for you	ı
You've got to reach out a little more	Won't come any closer	
More, more, more	You've got to reach out	
Open your eyes like I opened mine	Can't be too careful anymore	
It's only the real world	When all that is waiting for you	
A life you will never know	Won't come any closer	
Shifting your weight to throw off the pain	You've got to reach out more	
Well, you can ignore it, but only for so long	More, more, more!	
You look like I did
