

## Fill in the gaps

A (1)	road, crosse	ed another cold state line	But I (5)	her (6)	I found her
Miles away from those I love, purpose hard to find			And now I wish I'd stayed		
While I recall all the words you spoke to me			'Cause I'm lonely and I'm tired		
Can't help but wish that I was there			I'm missing you again (oh no)		
Back where I'd love to be (oh yeah)			Once again		
Dear God, the only thing I ask of you			Some search, never (7) a way		
Is to (2) her when I'm not around			Before long, they waste away		
When I'm much too far away			I found you, something told me to stay		
We all need th	at (3)	who can be true to you	I gave in, to se	elfish ways	
But I left her when I found her			And how I miss (8) to hold		
And now I wish I'd stayed			When hope begins to fade		
'Cause I'm lonely and I'm tired			A lonely road, crossed another cold state line		
I'm missing you again (oh no)			Miles away from those I love purpose hard to find		
Once again			Dear God, the only thing I ask of you		
There's nothing here for me, on this barren road			Is to hold her when I'm not around		
There's no one here while the city sleeps			When I'm much too far away		
And all the shops are closed			We all need that (9) who can be true to you		
Can't help but think of the times I've had with you			But I left her when I found her		
Pictures and some memories			And now I (10) I'd stayed		
Will have to help me (4) (oh yeah)			'Cause I'm lonely and I'm tired		
Dear God, the only thing I ask of you			I'm missing you again (oh no)		
Is to hold her when I'm not around			Once again		
When I'm muc	h too far away				
We all need th	at person who can	be true to you
