

Mean by Taylor Swift

Fill in the gaps

You, with your words like knives
And swords and weapons that you use against me
You, have knocked me off my feet again
Got me feeling like I'm nothing
You, with your voice like nails on a chalkboard
Calling me out when I'm wounded
You, picking on the weaker man
Well you can take me down with just one single blow
But you don't know
What you don't know
Someday I'll be living in a big ol' city
And all you're ever going to be is mean
Someday I'll be big enough so you can't hit me
And all you're (1)_____ going to be is mean
Why you gotta be so mean?
You, with your switching sides
And your wildfire lies and your humiliation
You, have pointed out my flaws again
As if I don't already see them
I (2)_____ with my head down
Trying to block you out 'cause I'll never impress you
I just (3)_____ feel okay again
I bet you got pushed around
Somebody (4)_____ you cold
But the cycle ends right now
Cause you can't lead me down (5)_____ road
And you don't know
What you don't know
Someday I'll be living in a big ol' city
And all you're (6)_____ going to be is mean

Someday I'll be big enough so you can't hit me
And all you're ever going to be is mean
Why you gotta be so mean?
And I can see you years from now in a bar
Talking over a football game
With (7)_____ same big loud (8)_____ but
Nobody's listening
Washed up and (9)_____ about the same old
bitter things
Drunk and grumbling on about how I can't sing
But all you are is mean
All you are is mean
And a liar
And pathetic
And alone in life
And mean, and mean, and mean, and mean
But someday I'll be living in a big ol' city
And all you're ever going to be is mean, yeah
Someday I'll be big enough so you can't hit me
And all you're ever going to be is mean
Why you gotta be so mean?
Someday I'll be living in a big ol' city
(Why you (10)_____ be so mean?)
And all you're ever going to be is mean
Why you gotta be so mean?
Someday I'll be big enough so you can't hit me
(Why you gotta be so mean?)
And all you're ever going to be is mean
Why you gotta be so mean?

Fill in the gaps

Answer

1. ever
