## So Far Away by Avenged Sevenfold

Never feared for anything	Place and time always on my mind
Never shamed but never free	I have so much to say but you're so far away
Alive to hear the (1) heart with all that it could	Sleep tight, I'm not afraid
Lived a life so endlessly	The ones that we love are (6) (7) me
Saw beyond (2) others see	Lay away a place for me
I tried to heal your broken heart	'Cause as soon as I'm done I'll be on my way
With all that I could	To (8) eternally
Will you stay?	How do I live without the ones I love?
Will you stay (3) forever?	Time still turns the pages of the (9) it's burned
How do I live without the ones I love?	Place and time always on my mind
Time still (4) the pages of the book it's burned	And the light you left remains but it's so hard to stay
Place and time always on my mind	When I have so much to say and you're so far away
I have so much to say but you're so far away	I love you
Plans of what our futures hold	You (10) ready
Foolish lies of growing old	The pain is strong and urges rise
It seems we're so invincible	But I'll see you
The (5) is so cold	You'll let me
A final song, a last request	Your pain is gone, your hands are tied
A perfect chapter laid to rest	So far away
Now and then I try to find a place in my mind	And I need you to know
Where you can stay	So far away
You can stay awake forever	And I need you to need you to know
How do I live without the ones I love?	
Time still turns the pages of the book it's burned
