

## Fill in the gaps

Never (1) for anything	Place and time always on my mind
Never shamed but never free	I have so much to say but you're so far away
Alive to (2) the (3) heart with all	Sleep tight, I'm not afraid
that it could	The ones (16) we love are here (17) me
Lived a life so endlessly	Lay away a (18) for me
Saw (4) what (5) see	'Cause as soon as I'm (19) I'll be on my way
I tried to heal your broken heart	To (20) eternally
With all that I could	How do I live without the ones I love?
Will you stay?	Time still turns the pages of the (21) it's burned
Will you stay away forever?	Place and time always on my mind
How do I live without the (6) I love?	And the light you left (22) but it's so hard to
Time still (7) the pages of the (8) it's	stay
burned	When I have so (23) to say and you're so far away
Place and time always on my mind	I love you
I have so much to say but you're so far away	You were ready
Plans of what our futures hold	The pain is strong and (24) rise
Foolish lies of (9) old	But I'll see you
It seems we're so invincible	You'll let me
The (10) is so cold	Your pain is gone, (25) (26) are tied
A final song, a (11) request	So far away
A (12) laid to rest	And I need you to know
Now and then I try to find a place in my mind	So far away
Where you can stay	And I need you to need you to know
You can stay awake forever	
How do I (14) without the ones I love?	
Time still turns the pages of the (15) it's burned
