

He loves to argue

Fill in the gaps

I don't think that passenger seat			Born on the seventeenth		
Has (1)	(2)	this good to me	His sister's beautiful		
He (3)	_ me (4)	his night	He has his father's eyes		
And I count the colors in his eyes			And if you ask me if I love him		
He'll (5) fall in love, he swears			I'd lie		
As he (6) his fingers through his hair			He stands there, then walks away		
I'm laughing 'cause I hope he's wrong			My God, if I could only say		
And I don't think it ever crossed his mind			"I'm (14) every (15)	for	
He tells a joke, I fake a smile			you"		
But I know all his favorite songs			He'd never tell you		
And I could (7) you			But he can play guitar		
His favorite color's green			I think he can see through		
He loves to argue			Everything but my heart		
Born on the seventeenth			First (16) when I wake up		
His sister's beautiful			Is "My God he's beautiful"		
He has his father's eyes			So I put on my make-up		
And if you ask if I (8) him			And pray for a miracle		
I'd lie			Yes, I could tell you		
He (9) around the room			His (17) color's green		
Innocently (10)		the truth	And he loves to argue		
Shouldn't a (11)_	go or	1	Oh, and it kills me		
Doesn't he (12) that			His sister's beautiful		
I've had him memorized for so long and			He has his father's eyes		
He sees everything black and white			And if you ask me if I (18) him		
Never let nobody see him cry			Don't you ask me if I (19) him		
I don't let (13)	see r	me wishing he was mine	'Cos I'd lie		
I could tell you his	favorite color's gr	reen
