

Fill in the gaps

Christmas night, another fight
Tears we cried a flood
Got all kinds of poison in
Poison in my blood
I took my feet
To Oxford Street
Trying to right a wrong
Just walk away
Those windows say
But I can't believe she's gone
When you're still waiting for the snow to fall
Doesn't really feel like Christmas at all
Up above candles on air flicker
(Oh) they flicker and they float
But I'm up here holding on
To all (1) chandeliers of hope
Like some drunken Elvis singing
I go singing out of tune
Saying how I always (2) you darling
And I always will
(Oh) when you're still waiting for the snow to fall

Doesn't really (3) like Christmas at all		
Still waiting for the (4) to	o fall	
It doesn't really (5) like Christmas at all		
Those Christmas lights		
Light up the street		
Down where the sea and (6)	meet	
May all your troubles soon be gone	9	
(Oh) Christmas lights keep shining	on	
Those Christmas lights		
Light up the street		
Maybe they'll bring her back to me		
Then all my troubles will be gone		
(Oh) Christmas (7)	keep shining on	
(Oh) Christmas lights		
Light up the street		
Light up the (8)	in me	
May all your (9)	_ soon be gone
