Christmas Lights by Coldplay

Fill in the gaps

Christmas night, (1) fight	Doesn't really feel like Christmas at all
Tears we cried a flood	Still waiting for the snow to fall
Got all kinds of (2) in	It doesn't really feel like Christmas at all
Poison in my blood	Those Christmas lights
I took my feet	Light up the street
To Oxford Street	Down where the sea and (9) meet
Trying to right a wrong	May all (10) troubles (11) be gone
Just walk away	(Oh) (12) lights keep
Those windows say	(13) on
But I can't believe she's gone	Those Christmas lights
When you're (3) waiting for the snow to fall	Light up the street
Doesn't really feel like Christmas at all	Maybe they'll (14) her back to me
Up above candles on air flicker	Then all my troubles (15) be gone
(Oh) (4) (5) and (6)	(Oh) (16) (17) keep
float	(18) on
But I'm up here holding on	(Oh) Christmas lights
To all those chandeliers of hope	Light up the street
Like some drunken Elvis singing	Light up the fireworks in me
I go singing out of tune	May all your troubles (19) be gone
Saying how I always loved you darling	Those Christmas (20) keep shining on
And I always will	
(Oh) when you're (7) waiting for the	
(8) to fall
