

Fill in the gaps

Christmas night, another fight		
Tears we cried a flood		
Got all kinds of (1) in		
Poison in my blood		
I (2) my feet		
To Oxford Street		
Trying to right a wrong		
Just walk away		
Those windows say		
But I can't believe she's gone		
When you're still (3) for the snow to fall		
Doesn't really feel like Christmas at all		
Up above candles on air flicker		
(Oh) they flicker and they float		
But I'm up here holding on		
To all those (4) of hope		
Like (5) drunken Elvis singing		
I go singing out of tune		
Saying how I always loved you darling		
And I always will		
(Oh) when you're still waiting for the snow to fall		

Doesn't really feel like Christmas at all		
Still waiting for the snow to fall		
t doesn't really feel like Christmas at all		
Those (6) ligh	ts	
Light up the street		
Down where the sea and city meet		
May all (7) troubles soon b	e gone	
(Oh) Christmas lights (8) s	hining on	
Those Christmas lights		
Light up the street		
Maybe they'll bring her back to me		
Then all my (9) v	vill be gone	
(Oh) Christmas lights keep shining on		
(Oh) Christmas lights		
Light up the street		
Light up the fireworks in me		
May all your troubles soon be gone		
Those Christmas lights keep shining on
