## Even The Nights Are Better by Air Supply

EVEN THE NIGHTS ARE BETTER	'Cause now you've (2) a fire start
Air Supply	And I, I can see that you feel the (3) way
J.L. Wallance/Kenneth Bell/Terry Skinner)	I never dreamed there'd be someone to hold me
, I was the lonely one	Until you told me and now that I've found you
Nondering what went wrong, why love had gone	Even the nights are better
And left me lonely	Now that we're here together
, I was so confused, feeling like I'd just been used	Even the nights are better
Then you came to me and my loneliness left me	Since I found you, oh
used to think I was tied to a heartache	Even the days are brighter
That was the heartbreak, but now that I've found you	When someone you love's (4) ya
Even the nights are better	Even the (5) are better
Now that we're here together	Since I found you
Even the nights are better	I never dreamed there'd be someone to hold me
Since I found you, oh	Until you told me and now that I've (6) you
Even the days are brighter	Even the nights are better
When someone you love's (1) ya	Now (7) we're (8) together
Even the nights are better	Even the nights are better
Since I found you	Since I found you, oh
You, you knew just what to do	Even the days are brighter
Cause you had been lonely too	When someone you love's (9) ya
And you showed me how	Even the nights are better
To ease the nain and	Since L (10) you
