

Fill in the gaps

Feinging joy and surprise	That it won't end
At the gifts we despise over mulled wine	Don't let the bells end
With you	Christmas time
On the 25th day	Just let (6) (7) in peace
Of the 12th month the sleigh bells are in time	(Christmas time, don't let the bells end)
Ringing true	(Christmas time, don't let the bells end)
How we cling each (1) to that snowflakes's hope in	Dust underneath the mistletoe leaves when you're not here
hell	You went away upon boxing day
That it won't end	Now how the (8) am I gonna make it into the New
Don't let the bells end	Year
Christmas time	Christmas time, don't let the bells end
Just let them ring in peace	Christmas time, (9) let the bells end
Well the weather is cruel	Christmas time, don't let the bells end
And the season of (2) (3) the heart	Christmas time, just let them ring in peace
But it still hurts	Christmas time, don't let the bells end
You've got your career	Christmas time, don't let the bells end
Spent the (4) part of last (5) apart	
And it still hurt	
So that's why I pray each and every Christmas day	

- 1. Noel 2. Yule
- 3. warms
- 4. best
- 5. year
- 6. them
- 7. ring
- 8. hell
- 9. don't
