

Fill in the gaps

Christmas Lights (Live) by Coldplay

Christmas night		Still waiting for the snow to fall
Another fight		It doesn't really feel like Christmas at all
Tears we cried a flood		Those Christmas lights
Got all kinds of poison in		Light up the street
Poison in my blood		Down where the sea and city meet
I took my feet		May all your troubles (6) be gone
To Oxford Street		Oh Christmas lights keep shining on
Just try to right a wrong		Those Christmas lights
Walk away		Light up the street
Those windows say		Maybe they'll (7) her back to me
But I can't believe she's gone		Then all my troubles (8) be gone
When you're still (1) for the snow to fall		Oh Christmas lights (9) shining on
Doesn't really feel like Christmas at all		(Oh oh oh oh oh oh)
Up above candles on air flicker		Those Christmas lights
Oh they flicker and they float		Light up the street
But I'm up here holding on		Light up the fireworks in me
To all (2) (3)	of	May all your troubles soon be gone
hope		Oh Christmas lights keep shining on
Like some drunken Elvis singing		Happy Christmas everybody
I go (4) out of tune		
Saying how I always loved you darling		
And I always will		
Oh when you're still waiting for the (5) to fall		
Doesn't really feel like Christmas at all
