Christmas Lights (Live) by Coldplay

Doesn't (3)_____ feel like Christmas at all

Fill in the gaps

Christmas night	Still waiting for the snow to fall
Another fight	It doesn't (4) feel like Christmas at all
Tears we cried a flood	Those Christmas lights
Got all kinds of poison in	Light up the street
Poison in my blood	Down where the sea and city meet
took my feet	May all your troubles (5) be gone
To Oxford Street	Oh Christmas lights keep shining on
Just try to right a wrong	Those Christmas lights
Valk away	Light up the street
Those windows say	Maybe they'll bring her back to me
But I can't believe she's gone	Then all my (6) will be gone
When you're still waiting for the snow to fall	Oh Christmas (7) keep shining on
Doesn't really feel like Christmas at all	(Oh oh oh oh oh oh)
Jp (1) candles on air flicker	Those Christmas lights
Oh they flicker and they float	Light up the street
But I'm up here holding on	Light up the fireworks in me
To all those chandeliers of hope	May all your troubles soon be gone
Like some drunken (2) singing	Oh Christmas (8) keep (9)
go singing out of tune	on
Saying how I always loved you darling	Happy Christmas everybody
And I always will	
Oh when you're still waiting for the snow to fall
