I Won't Let You Go by James Morrison

When it's black	And if (10) sky is falling
Take a little time to hold yourself	Just (11) my hand and (12) it
Take a little (1) to (2) around	You don't (13) to be alone, alone, yeah
Before it's gone	I won't let you go
You won't let go	(Won't let you go, won't let you go)
But you (3) keep on falling down	And if you feel the fading of the light
Remember how you saved me now	And you're too weak to (14) on the fight
From all of my wrongs, yeah	And all your friends (15) you (16) or
And if there's (4) just feel it	Have disappeared
And if there's life we'll see it	I'll be here, not gone, forever, holding on, oh
This is no (5) to be alone, alone, yeah	And if there's (17) (18) feel it
I won't let you go	And if there's life we'll see it
Say those words	This is no (19) to be alone, alone, yeah
Say those words like there's nothing else	I won't let you go
Close your eyes and you (6) believe	(Won't let you go, won't let you go)
That (7) is (8) way out	And if your sky is falling
Open up	Just (20) my (21) and hold it
Open up your heart to me now	You don't (22) to be alone, alone, yeah
Let it all come pouring out	I won't let you go
There's nothing I can't take	(Won't let you go, won't let you go)
And if there's love just feel it	I won't let you go, No I won't let
And if there's (9) we'll see it	I won't let you go, No I won't let
This is no time to be alone, alone, yeah	I won't let you go, No I won't let you go
I won't let you go	
(Won't let you go, won't let you go)
