I Won't Let You Go by James Morrison

When it's black		And if your sky is falling		
Take a (1)	time to hold yourself	Just take my hand and hold it		
Take a (2) time to feel around		You don't have to be alone, alone, yeah		
Before it's gone		I won't let you go		
You won't let go		(Won't let you go, won't let you go)		
But you still keep on falling down		And if you feel the fading of the light		
Remember how you saved me now		And you're too (7)	to (8)	on the fight
From all of my wrongs, yeah		And all your (9)	that you count on	
And if there's love just (3) it		Have disappeared		
And if there's (4) we'll see it		I'll be here, not gone, forever, holding on, oh		
This is no time to be alone, alone, yeah		And if there's love just feel it		
I won't let you go		And if there's life we'll see it		
Say those words		This is no time to be alone, alone, yeah		
Say those words like there's nothing else		I won't let you go		
Close your eyes and you might believe		(Won't let you go, won't let you go)		
That there is some way out		And if your sky is falling		
Open up		Just take my hand and hold it		
Open up your heart to me now		You don't have to be alone, alone, yeah		
Let it all come pouring out		I won't let you go		
There's (5)	I can't take	(Won't let you go, won't let you go)		
And if there's love just feel it		I won't let you go, No I won't let		
And if there's (6)	we'll see it	I won't let you go, No I won't let		
This is no time to be alone, alone, yeah		I won't let you go, No I won't let you go		
I won't let you go
