Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes			Somebody take me back to the days
In the night sky are like shooting stars?			Before this was a job, before I got paid
I could (1)	use a wish (2)	now	Before it ever mattered what I had in my bank
Wish right now, wish right now			Yeah, back (19) I was trying to get a tip at subway
Can we pretend that airplanes			And (20) when I was rapping for the hell of it
In the night sky are like shooting stars?			But now a days we rapping to stay relevant
I could really use a wish right now			I'm guessing that if we can make
Wish right now, wish right now			Some (21) outta airplanes
Yeah, I could use a dream or a genie or a wish			Then (22) yo maybe I'll go back to the days
To go back to a (3) much (4)			Before the politics that we call the rap game
(5) this			And back when ain't nobody listened to my mix tape
'Cause after all the	e (6) aı	nd smashing	And back before I tried to cover up my slang
and crashing			But this is for the Cada, what's up Bobby Ray?
And all the glitz and the glam and the fashion			So can I get a wish to end the politics
And all the (7) and all the			And get back to the music that started this
madness			So here I stand and then again I say
There comes a time (8) you (9) to the			I'm (23) we can make some wishes outta
blackness			airplanes
And when you're staring at that phone in your lap			Can we pretend that airplanes
And you hoping but them people never call you back			In the night sky are (24) shooting stars?
But that's just how the story unfolds			I could (25) use a (26) right now
You get another hand soon after you fold			Wish right now, (27) right now
And when your (10) unravel			Can we pretend (28) airplanes
And they (11) what would you wish for			In the night sky are like shooting stars?
If you had one chance?			I could really use a wish right now
So (12) airplane sorry I'm late			Wish right now, wish right now
I'm on my way so don't close (13) gate			I could (29) use a wish right now
If I don't make that then I'll switch my flight			I could really use a wish right now
And I'll be right back at it by the end of the night			Like like shooting stars
Can we pretend (14) airplanes			I could (30) use a wish right now
In the night sky are like shooting stars?			A wish a wish right now
I could really use a	wish (15) now		
Wish right now, (16	i) right now
