When You're Gone by Avril Lavigne

I always (1) time on my own	The pieces of my heart are (5) you
I never thought I'd need you there when I cry	When you're gone
And the days feel like years when I'm alone	The face I came to know is missing too
And the bed (2) you lie is made up on your side	When you're gone
When you walk away I count the steps that you take	The words I need to hear to always get me
Do you see how much I need you right now	(6) the day and make it ok
When you're gone	I miss you
The pieces of my heart are missing you	We were made for (7) other
When you're gone	Out here forever
The face I came to know is (3) too	I know we were, yeah!
When you're gone	All I (8) wanted was for you to know
The words I need to hear to always get me through the day	Everything I do, I'd give my heart and soul
and make it ok	I can hardly breathe I need to feel you (9) with me
I miss you	yeah!
I've never felt (4) way before	When you're gone
Everything that I do reminds me of you	The pieces of my heart are missing you
And the clothes you left, they lie on the floor	When you're gone
And they smell just like you, I love the things that you do	The face I came to know is missing too
When you walk away I count the steps that you take	When you're gone
Do you see how much I need you right now	The words I need to (10) will always get me
When you're gone	through the day and make it ok
	I miss you
