Fill in the gaps

When You're Gone by Avril Lavigne

I always needed time on my own	The (13) of my heart are missing you
I (1) thought I'd need you there (2) I	When you're gone
cry	The (14) I came to know is missing too
And the days feel (3) years when I'm alone	When you're gone
And the bed where you lie is made up on your side	The words I need to (15) to always get me through
When you walk away I count the steps that you take	the day and make it ok
Do you see how much I need you (4) now	I miss you
When you're gone	We were made for (16) other
The pieces of my heart are missing you	Out here forever
When you're gone	I (17) we were, yeah!
The face I (5) to (6) is	All I ever wanted was for you to know
(7) too	Everything I do, I'd (18) my heart and soul
When you're gone	I can hardly breathe I need to feel you here with me, yeah!
The words I need to hear to (8) get me	When you're gone
through the day and make it ok	The pieces of my (19) are missing you
I miss you	When you're gone
I've never felt this way before	The (20) I came to know is missing too
Everything that I do reminds me of you	When you're gone
And the (9) you left, they lie on the floor	The words I (21) to hear (22) always
And they (10) just (11) you, I	get me through the day and make it ok
(12) the things that you do	l (23) you
When you walk away I count the steps that you take	
Do you see how much I need you right now
