## When You're Gone by Avril Lavigne

I always needed time on my own	The pieces of my heart are missing you
I never thought I'd need you there when I cry	When you're gone
And the days feel (1) years when I'm alone	The face I came to know is missing too
And the bed where you lie is made up on your side	When you're gone
When you walk away I count the steps that you take	The words I need to hear to (5) get me
Do you see how much I need you right now	through the day and make it ok
When you're gone	I miss you
The pieces of my (2) are missing you	We were (6) for each other
When you're gone	Out here forever
The face I came to know is missing too	I know we were, yeah!
When you're gone	All I (7) wanted was for you to know
The words I need to hear to always get me through the day	Everything I do, I'd (8) my heart and soul
and make it ok	I can (9) breathe I need to feel you here with
I miss you	me, yeah!
I've never felt this way before	When you're gone
Everything that I do reminds me of you	The pieces of my heart are (10) you
And the clothes you left, they lie on the floor	When you're gone
And they smell just like you, I love the (3) that	The face I came to know is missing too
you do	When you're gone
When you walk away I count the steps that you take	The words I need to hear will always get me through the day
Do you see how much I (4) you right now	and make it ok
When you're gone	I miss you
