

Fill in the gaps

Do what you (1) you want	Hello, hello, (16) me?
If you have a dream for better	I'm everything you can't control
Do what you want	Somewhere beyond the pain
Till you (2) want it anymore	There must be a way to believe
(Remember who you really are)	There's still time
Do what you want	Close your eyes
Your (3) (4) in on	Only love (17) guide you home
you now	Tear down the (18) and (19)
(It isn't over)	(20) soul
Stand and (5) the unknown	Till we crash (21) forever
(Got to (6) who you really are)	(22) down
Every heart in my hands like a pale reflection	Down, down
Hello, hello, (7) me?	Hello, hello
I'm (8) you can't control	It's only me (23)
Somewhere beyond the pain	(24) you love
There must be a way to believe we can (9)	Somewhere beyond the pain
through	There must be a way to believe
Do what you want	Hello, hello, (25) me?
You don't have to lay (10) (11) down	I'm everything you can't control
(It (12) over)	Somewhere beyond the pain
Do what you want	There must be a way to learn forgiveness
Till you find what you're (13) for	Hello, hello, remember me?
(Got to remember who you really are)	I'm everything you can't control
But every hour slipping by screams	Somewhere beyond the pain
That I have failed you	There must be a way to believe
Hello, hello, (14) me?	We can break through
I'm everything you (15) control	(Remember who you (26) are)
Somewhere beyond the pain there	Do what you what you want
Must be a way to believe
