Do what you what you want
If you have a dream for better
Do what you (1) $\qquad$ you want

Till you don't want it anymore
(Remember who you really are)
Do what you what you want
Your (2) $\qquad$ closing in on you now
(It isn't over)
Stand and (3) $\qquad$ the unknown
(Got to remember who you really are)
Every heart in my hands (4) $\qquad$ a pale reflection Hello, hello, remember me?
I'm everything you can't control
Somewhere beyond the pain
There must be a way to believe we can break through
Do (5) $\qquad$ you what you want

You don't have to lay your life down
(It (6) $\qquad$ over)
Do what you what you want
Till you find what you're looking for
(Got to remember who you really are)
But every hour slipping by screams
That I have failed you
Hello, hello, remember me?
I'm everything you (7) $\qquad$ control
Somewhere beyond the pain there
Must be a way to believe

Fill in the gaps

Hello, hello, $\qquad$ me?

I'm everything you can't control
Somewhere beyond the pain
There must be a way to believe
There's still time
Close your eyes
Only love will guide you home
Tear down the walls and free your soul
Till we crash we're forever spiraling down
Down, down, down
Hello, hello
It's only me infecting everything you love
Somewhere beyond the pain
There (9) $\qquad$ be a way to believe

Hello, hello, (10) $\qquad$ me?

I'm everything you can't control
Somewhere beyond the pain
There must be a way to learn forgiveness
Hello, hello, remember me?
I'm everything you can't control
Somewhere beyond the pain
There must be a way to believe
We can break through
(Remember who you really are)
Do what you what you want

Fill in the gaps

1. what
2. world's
3. face
4. like
5. what
6. isn't
7. can't
8. remember
9. must
10. remember
