

Fill in the gaps

Talking To The Moon (Cover) by Jason Chen

I know (1)_____ (2)_____ out	Someone's talking back
there	They're (7)_____ (8)_____ (oh)
Somewhere far away	At night when the stars light up my room
I want you back	I sit by myself
I want you back	Talking to the moon...
My neighbors think I'm crazy	Try to get to you...
But (3)_____ don't understand	In hopes you're on the other side
You're all I have	Talking to me too
You're all I have	Or am I a fool
At (4)_____ when the stars light up my room	Who sits alone
I sit by myself	Talking to the moon
Talking to the moon...	(Ah ah ah...)
Try to get to you...	Do you ever (9)_____ me calling?
In hopes (5)_____ on the other side	(Ah ah ah...)
Talking to me too	'Cause every night
Or am I a fool	I'm talking to the moon...
Who sits alone	Still trying to get to you...
Talking to the moon?	In hopes you're on the (10)_____ side
(Ah ah ah...)	Talking to me too
I'm feeling like I'm famous	Or am I a fool
The talk of the town	Who sits alone
They say I've gone mad	Talking to the moon
Yeah I've (6)_____ mad	
But they don't know what I know	
Cause when the sun goes down	

Fill in the gaps
