

Daughters by John Mayer

I know a girl

She (1)_____ the color inside of my world

She's just like a maze

Where all of the walls all continually change

And I've done all I can

To stand on her steps with my heart in my hands

Now I'm starting to see

Maybe it's got (2)_____ to do with me

Fathers be good to your daughters

Daughters will love like you do

Girls become lovers who turn into mothers

So mothers be good to your daughters, too

(Oh) You see that skin?

It's the (3)_____ she's been standing in

Since the day she saw him walking away

Now she's left cleaning up the mess he made

So fathers be good to (4)_____ daughters

Daughters will love like you do

Fill in the gaps

Girls become lovers who turn into mothers

So mothers be good to your daughters, too

Boys, you can break

You'll find out how much they can take

Boys (5)_____ be strong and boys soldier on

But boys would be gone without warmth from

A woman's good, good heart

On behalf of every man

Looking out for every girl

You are the (6)_____ and the (7)_____ of
her world

Daughters will love like you do
