

Fill in the gaps

You were my conscious	From turning (14) a monster
So silent, now you're like water	And (15) us alive
And we started drowning	Don't you (16) wonder how we've survived?
Not like we'd (1) any farther	Well now that you're gone
But I let my heart go	The world is ours
It's somewhere (2) at the bottom	Well you'd (17) strength in solutions
But I'll get a new one	But I liked the attention
And come (3) for the hope that you've stolen	And not (18) knowing the answers
I'll (4) the whole world	But you're gonna lose it
I'll (5) the whole world	You're (19) lose it
From (6) into a monster	I'll stop the (20) world (Whole world)
And (7) us alive	I'll stop the whole world
Don't you ever wonder how we've survived?	From turning (21) a monster
Well now that you're gone	And eating us alive
The (8) is ours	Don't you ever wonder how we've survived?
	Well now that you're gone
I'm (9) human	The world
I've got a skeleton in me	I'll stop the (22) world (Whole world)
But I'm not the villain	I'll stop the whole world
Despite (10) you're (11) preaching	From (23) into a monster
Call me a traitor	And eating us alive
I'm just collecting your victims	Don't you (24) wonder how we've survived?
And they're getting stronger	Now (25) you're gone
I hear (12) calling (Calling)	The (26) is ours
They're calling	
I'll (13) the whole world	
I'll stop the whole world
