

Oh, It's not my time

Fill in the gaps

Looking (1) at the beginning of this	I'm not going
And how (2) was	There's a (16) in me
Just you and me and love and all of our friends	Now I know that
Living life like an ocean	This (17) be the end of me
Now the (3) (4) pulling	And everything I know
me down	Oh, I won't go
It's getting harder to breathe	I won't go
It won't be too long and I'll be (5) under	There (18) be (19) than you believe
Can you save me from this	There might be more than you believe
Cause It's not my time	There (20) be more (21) you can see
I'm not going	But it's not my time
There's a fear in me	I'm not going
It's not showing	There's a fear in me
This could be the end of me	It's not showing
And everything I know	This could be the end of me
Oh, I won't go	And (22) I know
I look ahead to all the plans that we made	It's not my time
And the (6) we had	I'm not going
I'm in a (8) (9) tries to (10)	There's a will in me
them away	Now it's gonna show
Oh, but I'm taking them back	This could be the end of me
Cause all (11) (12) I've just	And (23) I know
(13) to blind to understand	There might be more than you believe
What should matter to me	There might be more (24) you believe
My friend, (14) (15) we live is not what	There might be more than you can see
we have	I won't go!
It's what we believe	And no, I won't go down!
And It's not my time	(Yeah)
I'm not going	
There's a fear in me	
It's not showing	
This could be the end of me	
And everything I know
