

Fill in the gaps

Came in from a (1) on	Somenow I have to find
the avenue	And as I try to make my way
Thought I heard you talking softly	To the (6) world
I turned on the lights, the TV, and the radio	I will (7) to survive
Still I can't escape the (3) of you	
What has happened to it all?	Papers in the roadside tell of suffering and greed
Crazy someone say	Fear today, forgot tomorrow
Where is the life that I recognize?	(Oh)
(Gone away)	Besides the news of holy war and holy need
But I won't cry for yesterday	Ours is just a little sorrowed talk
There's an ordinary world	And I don't cry for yesterday
Somehow I have to find	There's an (8) world
And as I try to make my way	Somehow I have to find
To the ordinary world	And as I try to (9) my way
I will learn to survive	To the ordinary world
Passion or coincidence (4) prompted you to say	I will learn to survive
"Pride will tear us both apart"	Every world
Well now pride's gone out the window	is my world (I will learn to survive)
Cross the rooftops, run away	Any world
Left me in the (5) of my heart	is my world (I will (10) to survive)
What is happening to me?	Any world!
Crazy someone say	(is my world)
Where is my friend when I need you most?	
Gone away	
But I won't cry for yesterday	
There's an ordinary world
