

## Fill in the gaps

Came in from a rainy (1)	on the avenue	Somehow I have to find
Thought I heard you talking softly I turned on the lights, the TV, and the radio		And as I try to make my way
		To the ordinary world
Still I can't escape the (2) of you		I will learn to survive
What has (3) to it all?		
Crazy someone say		Papers in the roadside tell of (11) and
Where is the life that I recognize?		greed
(Gone away)		Fear today, (12) tomorrow
But I won't cry for yesterday		(Oh)
There's an (4) world		Besides the news of holy war and holy need
Somehow I (5) to find And as I try to make my way To the ordinary world		Ours is (13) a little sorrowed talk
		And I don't cry for yesterday
		There's an ordinary world
I will (6) to survive		Somehow I have to find
Passion or (7)	once prompted	And as I try to make my way
you to say		To the ordinary world
"Pride will tear us (8) apart"		I will (14) to survive
Well now pride's gone out the window		Every world
Cross the rooftops, run away		is my (15) (I will (16) to survive)
Left me in the vacuum of my heart		Any world
What is (9) to me?	?	is my (17) (I will learn to survive)
Crazy someone say		Any world!
Where is my friend when I (10)	you most?	(is my world)
Gone away		
But I won't cry for yesterday		
There's an ordinary world
