

Take a step before you leap

Fill in the gaps

Aftermath (Acoustic) by Adam Lambert

Have you lost (1) way?	Into the colours that you seek
Living in the shadow of the messes that you made	You give back what you give away
And so it goes	So don't look back on yesterday
Everything inside your circle starts to overflow	Wanna (6) out no more hiding
Take a step before you leap	Don't be afraid of what's inside
Into the colours (2) you seek	Gonna tell ya you'll be alright in the Aftermath
You give back what you give away	Anytime anybody pulls you down
So don't (3) back on yesterday	Anytime anybody says you're not allowed
Wanna scream out no more hiding	Just remember you are not alone In the Aftermath
Don't be afraid of what's inside	Before you break you have to (7) your armor
Gonna tell ya you'll be alright in the Aftermath	Take a trip and (8) into the glitter
Anytime anybody pulls you down	Tell a stranger (9) they're beautiful
Anytime anybody (4) you're not allowed	So all you feel is love, love
Just remember you are not (5) In the Aftermath	All you feel is love, love
And you feel the weight	Anytime anybody pulls you down
Of lies and contradictions that you live with every day	Anytime anybody (10) you're not allowed
No It's not too late	Just remember you are not alone
Just think of what could be	In the Aftermath
