## When I Look At You by Miley Cyrus

Everybody (1) inspiration	That's when I, I look at you
Everybody (2) a song	When the waves are flooding the shore
A (3) melody	And I can't find my way home any more
When the nights are so long	That's (7) I, I look at you
'Cause there is no guarantee	You appear just like a dream to me
That this life is easy	Just like kaleidoscope colors (8) cover me
Yea when my world is falling apart	All I need
When there's no light to break up the dark	Every breath that I breathe
That's when I, I look at you	Don't you know you're beautiful
When the waves are flooding the shore	Yeah, yeah
And I can't find my way (4) any more	When the waves are flooding the shore
That's when I, I look at you	And I can't find my way home any more
When I look at you I see forgiveness	That's (9) I, I look at you
I see the truth	I (10) at you
You (5) me for who I am	Yeah
Like the stars hold the moon	(Whoa-oh)
Right there where they belong	You appear just like a dream to me
And I know I'm not alone	
Yeah, when my (6) is falling apart	
When there's no light to break up the dark
