

## Fill in the gaps

All of these lines (1) my face	And all of my friends who think (14) I'm blessed
Tell you the story of who I am	They don't know my (15) is a mess
So many stories of where I've been	No, they don't (16) who I really am
And how I got to where I am	And (17) don't (18) what I've been
But these stories don't (2) anything	through like you do
When you've got no one to tell them to	And I was made for you
It's trueI was made for you	All of these lines (19) my face
I climbed (3) the mountain tops	Tell you the (20) of who I am
Swam all across the (4) blue	So many stories of where I've been
I crossed all the (5) and I (6) all	And how I got to where I am
the rules	But these (21) don't (22)
But baby I (7) (8) all for you	anything
Because (9) (10) I was flat broke	When you've got no one to (23) them to
You (11) me (12) like a million bucks	It's trueI was made for you
Yeah you do and I was made for you	Oh yes, it's true
You see the (13) that's on my mouth	I was made for you
