

You'll come around

## Fill in the gaps

I don't mind it	Right
I don't (1) at all	No I don't believe you
It's (2) you're the swingset	When you say don't come around (7) no more
And I'm the kid that falls	I won't remind you
It's like the way we fight	You said we wouldn't be apart
The times I cry	No I don't believe you
We (3) to blows	When you say you don't need me anymore
And every night	So don't pretend to
The passion's there	Not love me at all
So it's (4) be right	Just don't stand there and watch me fall
Right	Cause I cause I still don't mind it at all
No I don't believe you	It's (8) the way we fight
When you say don't (5) around (6) no	The times I cry
more	We come to blows
I won't remind you	And every night
You said we wouldn't be apart	The passion's there
No I don't believe you	So it's gotta be right
When you say you don't need me anymore	Right
So don't pretend to	No I don't (9) you
Not love me at all	When you say don't come (10) here no more
I don't mind it	I won't remind you
Still don't mind at all	You said we wouldn't be apart
It's like one of those bad dreams	No I don't believe you
When you can't wake up	When you say you don't need me anymore
Looks like	So don't pretend to
You've given up	Not love me at all
You've had enough	I don't believe you
But I want more	
No I won't stop	
Cause I just know
