

Fill in the gaps

Young Folks by Peter, Bjorn & John

| If I (1) you things I did before | Everyone is (8) I'm still with you |
|---|--|
| Told you how I used to be | It doesn't matter what we do |
| Would you go along with someone like me | Where we are going too |
| If you knew my story word for word | We can stick around |
| Had all of my history | And see this night through |
| Would you go along with someone like me | And we don't care about the young folks |
| I did before and had my share | Talking 'bout the young style |
| It didn't lead nowhere | And we don't care about the old folks |
| I would go along with someone like you | Talking 'bout the old style too |
| It doesn't (2) what you did | And we don't care about their own faults |
| Who you were hanging with | Talking 'bout our own style |
| We could stick around | All we care 'bout is talking |
| And see (3) night through | Talking only me and you |
| And we don't care about the young folks | And we don't care about the (9) folks |
| Talking 'bout the young style | Talking 'bout the young style |
| And we don't care (4) the old folks | And we don't care about the old folks |
| Talking 'bout the old style too | Talking 'bout the old style too |
| And we don't care (5) (6) own | And we don't care about their own faults |
| faults | Talking 'bout our own style |
| Talking 'bout our own style | All we care 'bout is talking |
| All we care 'bout is talking | Talking only me and you |
| Talking only me and you | Talking only me and you |
| Usually when things has gone this far | Talking only me and you |
| People tend to disappear | Talking only me and you |
| No one will surprise me (7) you do | |
| I can tell there's something going on | |
| Hours seems to disappear | |
