

Fill in the gaps

Young Folks by Peter, Bjorn & John

If I told you (1) I did before	Everyone is (18) I'm still with you
Told you how I used to be	It doesn't matter what we do
Would you go along with someone like me	Where we are going too
If you knew my story word for word	We can stick around
Had all of my history	And see this (19) through
Would you go along with (2) like me	And we don't care about the young folks
I did before and had my share	Talking 'bout the (20) style
It didn't lead nowhere	And we don't care about the old folks
I would go (3) with someone (4) you	Talking 'bout the old style too
It doesn't matter what you did	And we don't care (21) their own faults
Who you (5) (6) with	Talking 'bout our own style
We could (7) around	All we care 'bout is talking
And see this (8) through	Talking only me and you
And we don't (9) about the (10) folks	And we don't care (22) the young folks
Talking 'bout the young style	Talking 'bout the young style
And we don't care about the old folks	And we don't care (23) the old folks
Talking bout the old (11) too	Talking 'bout the old (24) too
And we don't (12) about their own faults	And we don't care about their own faults
Talking 'bout our own style	Talking 'bout our own style
All we care 'bout is talking	All we (25) 'bout is talking
Talking only me and you	Talking only me and you
Usually (13) things has gone (14) far	Talking only me and you
People tend to disappear	Talking only me and you
No one will surprise me (15) you do	Talking only me and you
I can tell there's something (16) on	
Hours (17) to disappear
