SUB inglés

Fill in the gaps

Young Folks by Peter, Bjorn & John

If I told you things I did before	Everyo
Told you how I used to be	It does
Would you go along with someone like me	Where
If you knew my (1) word for word	We car
Had all of my history	And se
Would you go along with someone (2) me	And we
I did before and had my share	Talking
It didn't lead nowhere	And we
I would go (3) with someone like you	Talking
It doesn't matter what you did	And we
Who you were (4) with	Talking
We could stick around	All we
And see this night through	Talking
And we don't care (5) the young folks	And we
Talking 'bout the young style	Talking
And we don't (6) about the old folks	And we
Talking bout the old (7) too	Talking
And we don't care about their own faults	And we
Talking 'bout our own style	Talking
All we care 'bout is talking	All we
Talking only me and you	Talking
Usually when things has gone this far	Talking
People tend to disappear	Talking
No one will surprise me unless you do	Talking
I can tell there's something (8) on	
Hours seems to disappear	

Everyone is leaving I'm still with you
It doesn't matter what we do
Where we are going too
We can stick around
And see this night through
And we don't care about the (9) folks
Talking 'bout the young style
And we don't care about the old folks
Talking 'bout the old style too
And we don't care about their own faults
Talking 'bout our own style
All we care 'bout is talking
Talking only me and you
And we don't care about the young folks
Talking 'bout the young style
And we don't care about the old folks
Talking 'bout the old (10) too
And we don't care about their own faults
Talking 'bout our own style
All we care 'bout is talking
Talking only me and you
