

## Fill in the gaps

| Tonight it's very clear                  |
|------------------------------------------|
| As we're both (1) here                   |
| There's so (2) things I (3) to say       |
| I will always love you                   |
| I would never leave you alone            |
| Sometimes I just forget                  |
| Say things I might regret                |
| It breaks my (4) to see you crying       |
| I don't wanna lose you                   |
| I (5) (6) make it alone                  |
| I am a man who (7) fight for your honor  |
| I'll be the (8) you're dreaming of       |
| We'll live forever                       |
| Knowing together that we                 |
| Did it all for the glory of love         |
| You'll keep me standing tall             |
| You'll help me through it all            |
| I'm (9) strong when you're beside me     |
| I have always needed you                 |
| I could (10) it alone                    |
| I am a man who will fight for your honor |
| I'll be the hero you've been (12)        |

| We'll live forever                       |
|------------------------------------------|
| Knowing together (13) we                 |
| Did it all for the glory of love         |
| Just (14) a knight in shining armore     |
| From a (15) (16) ago                     |
| Just in time I will save the day         |
| Take you to my (17) far away             |
| I am a man who will fight for your honor |
| I'll be the (18) you're dreaming of      |
| We're (19) live forever                  |
| Knowing (20) that we                     |
| Did it all for the glory of love         |
| We'll live forever                       |
| Knowing together (21) we                 |
| Did it all for the (22) of love          |
| We did it all for love                   |
| We did it all for love                   |
| We did it all for love                   |
| (We did it all for love)                 |
|                                          |
