

## Glory Of Love by Peter Cetera

Tonight it's very clear	We'll live forever
As we're both lying here	Knowing together that we
There's so many things I want to say	Did it all for the glory of love
I will always (1)_____ you	Just (5)_____ a knight in (6)_____ armor
I would never leave you alone	From a long time ago
Sometimes I just forget	Just in time I will save the day
Say things I might regret	Take you to my castle far away
It breaks my heart to see you crying	I am a man who will fight for your honor
I don't wanna lose you	I'll be the (7)_____ you're dreaming of
I (2)_____ never make it alone	We're gonna live forever
I am a man who will fight for your honor	Knowing (8)_____ that we
I'll be the hero you're dreaming of	Did it all for the (9)_____ of love
We'll live forever	We'll live forever
Knowing together that we	Knowing together that we
Did it all for the glory of love	Did it all for the glory of love
You'll keep me standing tall	We did it all for love
You'll help me (3)_____ it all	We did it all for love
I'm always strong when you're beside me	We did it all for love
I have always needed you	(We did it all for love)
I could never make it alone	
I am a man who will fight for your honor	
I'll be the (4)_____ you've been dreaming of	

**Fill in the gaps**

Answer
