

Fill in the gaps

This time, this place	So far away (So far away)
Misused, mistakes	Been far away for far too long
Too long, too late	So far away (So far away)
Who was I to (1) you wait?	Been far away for far too long
Just one chance, just one breath	But you know
Just in case there's just one left	You know
'Cause you know, you know	You know
That I love you	I wanted
I (2) loved you all along	I wanted you to stay
And I miss you	Cause I needed
Been far away for far too long	I need to hear you say
I keep dreaming you'll be with me	That I love you
And you'll (3) go	I have loved you all along
Stop breathing if I don't see you anymore	And I forgive you
On my knees, I'll ask	For been away for far too long
Last (4) for one (5) dance	So keep breathing
'Cause with you, I'd withstand	Cause I'm not leaving you anymore
All of hell to (6) your hand	Believe and hold on to me and, (10) let me go
I'd give it all	Keep breathing
I'd give for us	Cause I'm not leaving you anymore
Give (7) but I won't give up	Believe it hold on to me and
'Cause you know, you know	Never let me go
That I love you	Keep breathing, hold on to me
That I loved you all along	And never let me go
l (8) you	Keep breathing, hold on to me
Been far away for far too long	And never let me go
I (9) dreaming you'll be with me	
And you'll never go	
Stop breathing if I don't see you anymore
