

Fill in the gaps

If I only knew your name
I'd go from door to door
Searching all the crowded streets
For the place that I once saw
If I only knew your name
I'd go from door to door
Tell me have you seen the girl
I've met just once before
One night of love
Nothing more nothing less
One night of love
To put my head in a mess
Is that you on the bus?
Is that you on the train?
Is that you on the train? You wrote your number on my hand
•
You wrote your number on my hand
You wrote your number on my hand And it came off in the rain
You wrote your number on my hand And it came off in the rain One night of love
