And where do you go	These are the stories of our lives
With no destination	As fictional as they may seem
No (2) to guide you	You come in this world
Wouldn't you know	And you go out just the same
That it doesn't matter	Today could be the worst day of your life
We all end up the same	But these are the chronicles of life and death
These are the chronicles of life and death	And everything between
And everything between	These are the stories of our lives
These are the stories of our lives	As (7) as they may seem
